DECLARATION OF BRIAN J. MURRAY

I, Brian J. Murray, an attorney, declare as follows:

1. This declaration is made in connection with Abbott Laboratories, Inc.'s Motion to Dismiss For Lack of Subject-Matter Jurisdiction Under the Public Disclosure Bar ("Motion") and the memorandum in support ("Memorandum").

2. The 1995 Red Book sets forth a list of OBRA-participating manufacturers in an alphabetical index. (Ex. 1.) The Fifteenth Edition of the U.S. Department of Health & Human Services publication *Approved Drug Products with Therapeutic Equivalence Evaluations* (known as the "Orange Book"), has a publication date of 1995 and contains an appendix setting forth all approved drug products, listed by applicant. (Ex. 2.)

3. On May 11, 2009, I compared each manufacturer's name in the 1995 Red Book's list of OBRA-participating manufacturers with the 1995 Orange Book's list of manufacturers. That comparison indicates that there were less than 220 manufacturers whose products were both eligible for Medicaid reimbursement *and* who also sold approved generics in the United States in 1995, the year that Ven-A-Care first filed its complaint in this matter. (Ex. 3.)

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on: May 12, 2009.
